Boughton at Cave Hotel

18 Hole ■ 6,422 Yards ■ Par 72

Laid out over 160 acres of naturally undulating terrain, this challenging course takes full advantage of its picturesque setting offering fine views over the Kent countryside.

It was designed by local golf professional, Phillip Sparks and built in 1993. It has quickly established itself in a county known for its golf courses and is popular with members, visitors and societies. Designed to challenge golfers of every standard, the course comprises four par 3, ten par 4 and four par 5 holes arranged in two loops of nine holes.

The greens and tees are generously sized and irrigated with water from two ponds. The natural drainage of the land complements the irrigation system to ensure the course is playable all year

round. The practice facilities at the club include a covered driving range with adjoining bunker and chipping area.

The Kentish Barn styled clubhouse has a warm welcoming ambience. Comfy sofas and firepits make the extended decking area overlooking the first tee an ideal place to relax after your game. And new for 2019, on site, The Cave Hotel has modern luxurious accommodation, an indulgent pool area, gym and wood smoked asian influenced cuisine is served in the relaxing Firepit restaurant.
